Description

Overview

The Kedi 7-Layer Sanitary Pad (Night) is developed to provide enhanced absorbency and comfort for overnight use. Its layered design helps manage menstrual flow effectively while supporting skin comfort and hygiene.

### **How It Supports Comfort**

The multi-layer structure helps absorb moisture efficiently, reducing the risk of leakage during extended periods of rest. The soft surface supports comfort, while the breathable materials help maintain freshness.

### **Key Benefits**

- Designed for overnight protection
- Multi-layer absorbency for comfort
- Helps maintain dryness and confidence
- Supports hygiene and skin comfort
- Suitable for nighttime use

### **Suitable For**

- Women seeking overnight menstrual protection
- Individuals with moderate to heavy flow
- Women prioritizing comfort during rest

### **Usage & Lifestyle Guidance**

Use as directed. Change pads as needed to maintain hygiene and comfort. Dispose of properly after use.

### **Quality & Safety Information**

Manufactured using skin-friendly materials under quality-controlled conditions.
