### Description

The **KEDI Hydrogen Cup** is a revolutionary health innovation by **KEDI Healthcare International**, designed to convert ordinary drinking water into therapeutic alkaline water.

Harnessing **advanced hydrogen ionization technology**, this smart wellness cup increases the **oxygen content** of any water poured into it, **neutralizes acidity**, and infuses it with **negative hydrogen ions**, known for their **antioxidant and anti-inflammatory benefits**.

### Key Health Benefits:

1. **Converts Acidic Water to Alkaline:**

Neutralizes water's acidity and transforms it into highly alkaline water, ideal for maintaining optimal body pH and reducing inflammation.
2. **Increases Oxygen Levels in Water:**

Boosts oxygen content to improve cellular respiration and detoxification.
3. **Supports Treatment of Chronic Conditions:**

Proven to assist in managing **ulcer, asthma, stroke, kidney disorders**, and various **cardiovascular diseases** by improving hydration and blood flow.
4. **Enhances Medication & Herbal Efficacy:**

Increases the absorption and bioavailability of medicines and herbal supplements, supporting faster recovery.
5. **Strengthens Immunity:**

Provides molecular hydrogen that activates antioxidant enzymes and boosts the immune response.
6. **Improves Digestion:**

The treated water aids in reducing acidity in the stomach, relieving indigestion and enhancing nutrient absorption.
7. **Protects Against Terminal Illnesses:**

Long-term use may help prevent conditions linked to oxidative stress and metabolic imbalance.

**Ideal For:**

- Individuals managing chronic illnesses
- Health-conscious families
- Those taking medication or herbal therapy
- People seeking to enhance hydration and immunity naturally

**Instructions for Use:**

Pour clean drinking water into the cup, allow the hydrogen infusion process for 3–5 minutes, and drink immediately for best results. Use consistently for sustained benefits.

**Package Includes:**

1 Hydrogen Cup Device, User Manual,

**Why Choose KEDI Hydrogen Cup?**

Backed by KEDI Healthcare's global research and wellness philosophy, the Hydrogen Cup is not just a water bottle—it's a daily therapeutic tool.
